<b>Vehicle Count = 47</b>	[Grid of race results for 47 vehicles]																																														
<b>Design Event</b>	[Grid of design event results]																																														
<b>General</b>	[Grid of general event results]																																														
<b>Design</b>	[Grid of design event results]																																														
<b>Analysis</b>	[Grid of analysis event results]																																														
<b>Testing</b>	[Grid of testing event results]																																														
<b>Safety</b>	[Grid of safety event results]																																														
<b>Aesthetics</b>	[Grid of aesthetics event results]																																														
<b>Innovation Event - Raw Score</b>	[Grid of innovation event raw scores]																																														
<b>Design Event - Total</b>	[Grid of design event totals]																																														
Report content largely non-original	[Penalty grid]																																														
Late Report Submission (per day)	[Penalty grid]																																														
Late for Static Judging or Safety Check	[Penalty grid]																																														
Over Page Limit (per page)	[Penalty grid]																																														
Report Does Not Conform to Outline	[Penalty grid]																																														
<b>Design - Rank</b>	[Grid of design event ranks]																																														
<b>Innovation Event</b>	[Grid of innovation event results]																																														
<b>Design</b>	[Grid of design event results]																																														
<b>Concept Evaluation</b>	[Grid of concept evaluation results]																																														
<b>Learnings</b>	[Grid of learnings results]																																														
<b>Execution</b>	[Grid of execution results]																																														
<b>Multiplier</b>	[Grid of multiplier results]																																														
<b>Innovation Event - Raw Score</b>	[Grid of innovation event raw scores]																																														
<b>Innovation Event - Total</b>	[Grid of innovation event totals]																																														
Report content largely non-original	[Penalty grid]																																														
Late Report Submission (per day)	[Penalty grid]																																														
Late for Presentation	[Penalty grid]																																														
Over Page Limit (per page)	[Penalty grid]																																														
Report Does Not Conform to Outline	[Penalty grid]																																														
<b>Innovation - Rank</b>	[Grid of innovation event ranks]																																														
<b>Women's Speed Event - Total</b>	[Grid of women's speed event totals]																																														
Fastest Non Qualifying Time (s)	[Grid of fastest times]																																														
<b>Women's Speed - Rank</b>	[Grid of women's speed event ranks]																																														
<b>Men's Speed Event - Total</b>	[Grid of men's speed event totals]																																														
Fastest Non Qualifying Time (s)	[Grid of fastest times]																																														
<b>Men's Speed - Rank</b>	[Grid of men's speed event ranks]																																														
<b>Endurance Event - Total</b>	[Grid of endurance event totals]																																														
Laps Completed	[Grid of laps completed]																																														
Finish time (hr)	[Grid of finish times]																																														
Lap Length (km)	[Grid of lap lengths]																																														
Avg Speed (minus penalties & plus bonus) (km/h)	[Grid of average speeds]																																														
Avg Speed (minus penalties & plus bonus) (mph)	[Grid of average speeds]																																														
Lock Security Challenge- Time to Remove Vehicle (s)	[Grid of lock security challenge times]																																														
Lock Security Challenge- Additional Laps Awarded (Laps)	[Grid of additional laps awarded]																																														
Illegal Start Assistance (m)	[Grid of illegal start assistance]																																														
Damage or Loss of Parcel (m)	[Grid of damage or loss of parcel]																																														
Failure to Stop at Stop Sign, Complete Station, Hairpin Turn, Speed Bump, Rumble Strip or Quick Turn (m)	[Grid of failure to stop penalties]																																														
Safety Violation (Laps)	[Grid of safety violations]																																														
Illegal Lap (Laps)	[Grid of illegal laps]																																														
Min/Max Driver Lap Violation (Laps)	[Grid of min/max driver lap violations]																																														
<b>Endurance - Rank</b>	[Grid of endurance event ranks]																																														
<b>Overall - Total</b>	[Grid of overall event totals]																																														
<b>Overall - Rank</b>	[Grid of overall event ranks]
