

ASME Technical Program and Dinner

FUKUSHIMA (Japan) NUCLEAR ACCIDENT

Wednesday – May 15, 2019, 6:00 pm – 8:30 pm
Registration begins at 5:30 pm on the day of the meeting.

LOCATION:

Long Island Welcome Center
Located on eastbound lanes of Long Island Expressway (Route 495),
One (1) mile east of exit 51
Commack, NY 11725
Phone 631-254-0414

PDH Credits: PIE has approved this seminar for 2 PDHs. A certificate will be presented to those attendees who require the PDH credit.

Speaker: Paul Hansen P.E., is the Engineering Review Board Chairman of ENERCON's Chiefs Organization. Paul's contact information is hansenp@asme.org Phone: 973-979-3363.

Program: "The US Nuclear Industries' Response to Fukushima – FLEX." This presentation reviews the events that occurred at Fukushima, the lessons learned, and how the US Commercial Nuclear Industry has implemented those lessons. Also included is a revelation that a similar nuclear plant located not far from the publicized one sustained much less damage from the Tsunami that destroyed the first one. The reasons will be explained during this presentation.

Cost: The Dinner* and Seminar will cost \$40.00 each for attendees that *require* the PDH credit. Please note that the cost for *those not requiring* PDH credit will be \$10.00 each. Please bring your check (\$40 or \$10) made payable to "ASME-Long Island Section." Please note that "Students are FREE."

***Dinner includes choice of sandwiches, wraps, salads, soft drinks, cookies, water, coffee.**
