Please join SAE Cleveland for the annual Student Appreciation meeting, hosted this year at Polestar Motor Racing. This event will showcase the Collegiate Design Series Mini-Baja and FSAE vehicles that the CWRU, CSU, and U of A students designed, built, and raced last year alongside Polestar's Atlantic, F2000, and F1600 Championship Series open-wheeled race cars.

After short presentations from each of the teams, SAE Cleveland will present our annual sponsorship to the schools and members will be free to enjoy a pizza dinner and some Q&A time with all of the teams.
