

NSF/CBET- Combustion, Fire, and Plasma Systems Program Open Window for Unsolicited Proposals in 2013-2014 FY Has Moved to Sep. 27-Oct. 29, 2013.

Dear Colleagues:

The open window for unsolicited proposals in 2013-2014 fiscal year for NSF's Combustion, Fire, and Plasma Systems Program has moved to [September 27 - October 29, 2013](#). It is **NO LONGER** in the January-February time frame. In future years, it is likely that the deadline will move further up to mid-September. Please look at the NSF/Engineering/CBET/Combustion, Fire, and Plasma Systems Program web page (http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=13366&org=CBET&from=home) for most current deadline and program information.
