Education / Degrees attained / University / Professional License status

Current Job Title and Employer / Tenured / Retired / Independent, etc.

History of Employment

What constraints would you have for attending meetings via telecon/face-to-face during working hours in Eastern Time (New York)?

Please answer the following questions on separate sheet(s) and submit with this application:

- 1) Why do you want to serve in the Role you are applying for?
- 2) What do you think are the top 3 goals/responsibilities for this Position? (Chair/NC/MAL/Team)
- 3) How do you feel this Role would help (a) You, (b) SECD, and (c) ASME if you were in the Role?
- 4) Describe relevant experiences and skills that have prepared you for this Role.
- 5) What plan do you have to achieve the mission, vision and strategic objectives of SECD?
- 6) Please provide additional information you would like to share.

Please attach a summary of your ASME activities, including as a student, if applicable (name of unit/section/division, time participating, and any leadership positions).

ACCEPTANCE If I am selected for the position, I have sufficient time and resources, and am willing and able to serve. I will adhere to the ASME Constitution and By-Laws and ASME Society Policies, including the conditions of Society Policy P-15.8, "Conflicts of Interest."

Applicant agrees (sign or type name):
