

OOAE Award Past Recipients

OOAE DIVISION ACHIEVEMENT AWARD

Past Award Recipients include:

2014

Mehernosh Irani, for his leadership as Division Chair 2013 - 2014

2013

Owen H. Oakley, Jr., for his leadership as Division Chair 2012 - 2013

2012

Jon Mikkelsen for his leadership as Division Chair 2011 - 2012.

Denby Morrison, for his long standing contribution to the International Conference Committee and the planning of OMAE Conferences.

Dr. Walter L. Kuehnlein for his leadership as Division Chair 2010 - 2011.

2010

Prof. Ron Riggs for his leadership as Division Chair 2009 - 2010.

2009

Segen Farid Estefen for his leadership as Division Chair 2008 2009.

Cengiz Ertekin for his continued dedication and significant contributions to the decision making process of the OOAE Division, for keeping the OOAE web page for many years and for successfully fulfilling the role of Chair of the OMAE 2009 Conference.

2008

Dr. Xiaozhi (Christina) Wang--In grateful recognition of dedication and leadership in the administration of the OOAE Division as Chair in the period 2007-2008.

Professor Carlos Guedes Soares--In grateful recognition of significant contributions to the organization of the OMAE2008 as Conference Chair.

2007

John Halkyard In grateful recognition of significant contributions to the organization of division-sponsored OMAE 2007 Conference

2006

Dr. Owen H. Oakley, Jr. In recognition for significant contributions to the organization of the Computational Fluid Dynamics and Vortex Induced Vibrations Symposium and OMAE conferences

2005

Mr. Jon Mikkelson, P.Eng. In recognition for significant contributions to the organization of the Ocean Engineering Symposium and OMAE Conferences

Mr. Pedro M. Vargas and Mr. Stephen Webster. In recognition for significant contributions in the organization of the Materials Symposium

2003

R. Cengiz Ertekin for Outstanding Effort with the OOAE Website, as Technical Program Chair for 2003, and Helping Organize the JVV Symposium in 2002.

Daniel T. Valentine for outstanding efforts in organizing the JVV symposium in 2002 as well as your efforts in organizing the OE symposium and being the editor of the OOAE Newsletter

2000

Michael Bernitsas

1999

Stephen Jones, Hajime Yamaguchi

1998

Kazushige Arimochi, Alexander M. Pope

1997

T. Kinoshita, H. Ronald Riggs, R.G. Bea, M. Arai, Hisayoshi Endo, Yoji Ogawa, Masao Toyoda, J.F. Dos Santos

1996

Giovanni Rosa, Denby G. Morrison, Pierantonio Tassini, Arrigo Vienna, Gianni Aguila, Vincenzo Oliveri, Henryk G. Pisarski, John R. Yates, Olaf B. Anderson, Paul Schofield

1995

Arvid Naess, Jan Erik Vinnem, Stig Berge, Peter Tubby, Mike Kirkwood, Flemming Christensen

1994

Andrew Stevenson, Alfredo Berti, Stephen E. Webster, Daniela Mercati, Per J. Haagensen, Terrell M. Jones, Grzegorz Glinka, John S. Leonard, Morgens Henriksen

1993

Richard Dolby, Thomas E. Schellin, Jane V. Huswell, Alan Murrey, Alexander Stucey, Geoffrey S. Booth, Eann A. Patterson, R. Cengiz Ertekin, William H. Thomason

OOAE DIVISION SPECIAL ACHIEVEMENT/SERVICE AWARD

Past Recipients include:

2007

Bernt J. Leira -In grateful recognition of dedication and leadership in the administration of the OOAE Division

2006

John Halkyard- In grateful recognition of dedication and leadership in the administration of the OOAE Division as its Chair during 2005-2006.

2005

Daniel T. Valentine - In grateful recognition of dedication and leadership in the administration of the OOAE Division.

2004

Michael M. Bernitsas - For outstanding leadership as the chair of the OOAE Division during 2003-2004.

2003

Arvid Naess for outstanding leadership as OOA Division Chair in 2002-03

Carlos Guedes Soares in grateful recognition of significant contributions to the activities of the OOA Division and coordinating the Safety and Reliability Symposium of the OMAE Conferences

2002

R. Cengiz Ertekin - In grateful recognition of dedication and leadership as Chair of the Executive Committee of the OOA Division 2001-2002.

John Robinson - In grateful recognition of dedication and leadership in the administration of the OOA Division

2001

Daniel T. Valentine, Stephen Liu

2000

Terry Jones, Denby G. Morrison, Bob Randall, John Robinson

1999

Lyle Finn

1998

R. Cengiz Ertekin (Special Service Award)

Subrata Chakrabarti (Distinguished Service Award)

1997

Wilfred A. Nixon

1996

Carlos Guedes Soares

1993

Denby G. Morrison

1990

Mamdouh M. Salama, Subrata K. Chakrabarti

OOA DIVISION APPRECIATION AWARD

Past Recipients include:

2013

Segen F. Estefen, for his significant contributions as Chair of Pipeline & Riser Technology Symposium in the last ten years (2003-2012)

2007

Takeshi Kinoshita In grateful recognition of significant contributions to the activities of the OOA Division

2003

Hisaaki Maeda for outstanding effort in organizing the Offshore Symposium Technical Sessions for nearly 20 years and coordinating the Ocean Space Utilization Symposium since its inception within the OMAE Conference

Terry Jones for outstanding effort in coordinating the Pipeline Symposium for 4 years within the OMAE Conference

2002

Robert Randall - In grateful recognition of significant contributions to the activities of the OMAE Division

2001

R. G. Bea, Ramon Johnson, Elio Manes

1999

Sanjay Srinivasan, Chang-New Chen, Per Egil Kvaale, Stephen E. Webster

1998

Tariq Al-Hassan, Jose M. Gordo, Vladimir Trbojevic, Alan Murray, Mamdouh M. Salama, Denby G. Morrison

1997

Mike Yoon, Hiroshi Miyazaki

1993

John S. Leonard

1992

M. Idris Mansor, R. Brawn, S. Robert Blair, L. Sgubini, Frank Forte, C.D. Richards, R.W.E. Shannon, Behrooz Sadre-Hashemi, Ward Brandow, Dario Dall'Aglia

OOAE DIVISION-ASME LIFE-TIME ACHIEVEMENT AWARD

Past Recipients include:

2014

J. Randolph Paulling, in grateful recognition of significant life-time contributions to ocean technology.

2013

Odd Faltinsen, in grateful recognition of significant life-time contributions to marine and offshore hydro dynamics

2011

Pro. António Falcão- In grateful recognition of his significant life-time contributions to the ocean, offshore and/or arctic engineering profession.

2009

Professor Chiang C. Mei of MIT--In grateful recognition of significant lifetime contributions in wave mechanics and hydrodynamics.

2008

Professor Hisaaki Maeda--In grateful recognition of significant life-time contributions to Ocean Engineering, with special emphasis on Very Large Floating Structures and Ocean Space Utilization.

Professor Koichiro Yoshida--In grateful recognition of significant life-time contributions to Ocean Engineering, with special emphasis on Very Large Floating Structures and Ocean Space Utilization.

2007

Prof. Robert G. Dean of the University of Florida- For contributions to the understanding of the wave mechanics and beach nourishment that help engineers to design safer coastal structures and preserve beaches, and

Prof. Walter H. Munk of the Scripps Institute of oceanography- For contributions to the understanding of the surface waves and oceanic circulation that help engineers to design safe structures

2006

Prof. Douglas Faulkner of the University of Glasgow - In grateful recognition of significant life-time contributions to the Reliability and Ultimate Strength of Marine Structures

2005

Prof. Subrata K. Chakrabarti of University of Illinois - In grateful recognition of significant life-time contributions to the Hydrodynamics and fluid-structure interactions as they relate to offshore and coastal structure design by a distinguished scholar

2004

Prof. Theodore Y.-T. Wu of California Institute of Technology, Pasadena, CA - In grateful recognition of significant life-time contributions to Hydrodynamics and Fluid Mechanics.

2003

Prof. J. Nicholas Newman of the Massachusetts Institute of Technology - In grateful recognition of significant life-time contributions to Marine Hydrodynamics.

2002

Prof. John V. Wehausen of the University of California at Berkeley - In grateful recognition of significant life-time contributions to Marine Hydrodynamics
