

Akron ASME Presents ASCPL's TechZone Tour & Networking *An ACCESS joint societies meeting*

When: Thursday, October 25, 2018 | 6:10 p.m. TechZone tour | 6:40 – 8 p.m. Networking in Meeting Room 2AB

Where: Akron Summit County Public Library (ASCPL), 1st Floor, 60 South High Street, Akron (suggest parking in the adjacent Parking Garage just north of it, off South High, with free parking starting right after 6 p.m.)

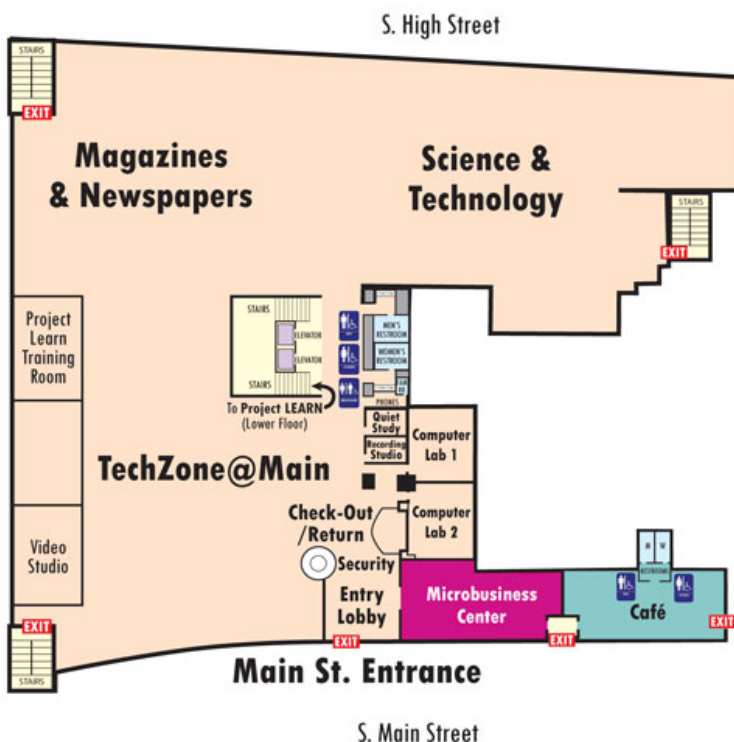

Cost: None

Program Information: Join us for a tour of the TechZone@Main! Akron-Summit County Public Library – Main branch has so many machines and aids for the self-starter. Some of the things you will get to see are the 3D printer; design computers; heat press; green screen; laser engraver; button maker; laminator; recording studio; vinyl printer (posters) and more. Come and see what the library can do for you!

You can read all the details at

<https://akronlibrary.org/locations/main-library/techzone-main>

This event is open to everyone within the ACCESS member societies. There are no reservations, but we will be limited to 30 people for the tour and 80 people for the networking, by fire marshal. Here is the layout of that 1st Floor:

Questions about the meeting, please contact Kassandra Oglesby, koglesby@akronlibrary.org or Brett Neff, bneff@akronlibrary.org.
