Please join us in celebrating the achievements of our local engineering & technical community. Attendees will enjoy festivities that include a buffet dinner with open bar (beer & wine), the Lee H. Clippard, Jr. Memorial Scholarship award, the Mercedes-Benz Vans STAR Engineer Scholarship presentation, annual recognition ceremony for the Engineer of the Year and Technical Project Team of the Year, and a riveting keynote speaker. Mr. Todd Lant will share engaging perspectives on how engineering can power social good. He will discuss the impact software is having on engineering and denote how this digital transformation is impacting every business, explore intelligent computing, and share his experiences at Blackbaud where engineering is used every day to power social good.
