| Mike Sturdevant | Tiffany Ryder   |
| Larry Gradwell  | Wendy Rini      |
| Ed Lewandowski  | Andrew Moss     |
| Mark Sindelar   | Tim Wathers     |
| Eric Shelley    | Igor Tachynskyy |
| Titus Lungu     |                 |

Minutes for Nov-Dec,

Dispensed with reading of minutes

Treasurer's report

H&H costs not all in.

Reiterated that when statement comes from bank, we will make transition of operating funds to JPMorgan / ASME account

Ed moved to accept treasurer's report, Larry seconded, motion approved.

H&H event review

Science fair winners were discussed, we were all very impressed

Cleveland Thermal event review

Very interesting facility, great job Patrick

Future events

Erie section expressed interest in joint meeting, maybe in Ashtabula or Conneaut. Need a topic. Mike to investigate, Larry may have contact.

Grove City College has human powered vehicle interest and expertise. Larry to contact to discuss program ideas

Student members agreed to come up with a program for the senior section, maybe a talk by a professor or grad student on current research.

Jim Green party/potluck June 1, 5 PM. Jim will provide location details.

New Business

Officers 2013-2014. We agreed to keep slate as is during this transition year. Mike to send ballot asap.

Student section discussed their 6 legged robot for competition in August.

The robot will drill a hole and plant a seed. Initial report was submitted, they don't know if they've been accepted yet. We encouraged them to submit for section student funds if they need them.

Ed moved to adjourn, Larry seconded, motion approved.
