ASME C. D. Mote Jr., Early Career Award

The Technical Committee on Vibration and Sound (TCVS) of the ASME Design Engineering Division solicits nominations for the 2014 C. D. Mote Jr., Early Career Award. This award, along with an honorarium and plaque, will be presented at the 26th ASME Conference on Mechanical Vibration and Noise, as part of the ASME 2014 International Design Engineering Technical Conferences to be held in Buffalo, N.Y., August 17-20, 2014.

The C. D. MOTE JR., EARLY CAREER AWARD, established in 2013, is presented to an early-career recipient who demonstrates research excellence in the field of vibration and acoustics. At the time of awarding, candidates must have been a member of ASME for at least 3 years, be under the age of 40 years, and be within 10 years of their terminal degree. The recipient will receive a $1500 honorarium, an award plaque, and conference registration.

Nomination packages should include a letter of nomination, the candidate’s CV, and a maximum of 3 letters of support. Candidates may self-nominate. All nomination packages must be submitted electronically.

The deadline for the receipt of nomination packages is February 1, 2014.

Submit all nomination packages and inquiries to the TCVS Early Career Award Chair listed below:
