
Printed name

Has received one (1) Professional Development Hour (PDH) for attending a seminar on engineering ethics, presented by the East Tennessee Section of ASME and other local sections of engineering societies, on March 20, 2103 at Relix Variety Theatre in Knoxville, TN from 7 to 8:30 PM.

“Henry’s Daughters,” a DVD created by National Institute of Engineer Ethics, was shown followed by panel discussion and group questions and answers. Joe Carson, PE, Chair of the East Tennessee Section of ASME, moderated the panel discussion.

For audit purposes, per State Board Rules, this certificate must be accompanied with the list of participants, signed by Joe Carson, PE, who was in responsible charge. This list will be available from <http://et-professional-societies.com/> and <http://sectionsn.asme.org/easttn/>.
