

We continually strive to make TURBO EXPO the world's premier forum for the exchange of turbine technology, knowledge and networking and a beneficial venue in which to market your products and services. Feedback on further modifications and improvements is always welcome.

Contracts and Invoices

You should have received your contract and returned the signature page to ASME IGTI. If you need another copy, [please contact us today](#). Invoices are sent by email after receipt of the signed contract and payable in \$USD.

Sponsorships

[Enhance the return on your investment further through the many sponsorship opportunities offered by ASME IGTI](#). The more attendees see and hear your company's name, the more likely they are to stop by your booth.

Sponsoring is an inexpensive way to get higher visibility of your company's name to the attendees and lets them know you are active in the exposition and more importantly in the industry.

For details on new and existing sponsorship opportunities please [visit the sponsorships area of the Turbo Expo Web site](#).

GES—Official Show Contractor

We are pleased to once again offer the [Exhibitor Services Center online](#). It is designed to assist you in obtaining the products and services you may require for participation in TURBO EXPO. Please review all the material carefully and note the due dates for ordering the services you require, **as prices will change based on ordering dates.**

Forms for GES Services and Online ordering will be available soon!

ATTENTION: Please reference our Official Show Contractors from the [Online Services Center](#). **BEWARE** of housing and vendor companies falsely referring to themselves as “working for our Show”. **KNOW** who our partners are and **take caution** when solicited from other vendors.

Marketing Avenues at Turbo Expo

ADVERTISING

Affordable advertising opportunities are available for the Advance and Final Program. Visit [the Turbo Expo Ad Insertion Order Form](#) for more information. **Advance Program deadline: December 10.**

HOSPITALITY SUITE/MEETING ROOM REQUESTS

Exhibitors are welcome to reserve a Hospitality Suite or Conference Room at the official hotels or convention center for private meetings, presentations and hospitality functions. Rooms/suites can be booked on an "as available" basis by completing the [Exhibiting Company Hospitality Suite/Meeting Room Reservation Form](#).

SHOW LOGO/WEB SITE LINK

As an exhibitor, you are encouraged to use the ASME TURBO EXPO logo on any of your company's promotional materials. This includes company letterhead, brochures, advertisements, envelopes, newsletters, and any other promotional materials. To have the ASME TURBO EXPO 2016 logo sent to you electronically, please contact igtiexpo@asme.org. For maximum exposure for the Turbo Expo 2016 exhibition, be sure to include a logo link from your company Web page. An example might include: Visit us at booth #xxx at Turbo Expo 2016, June 13-17 in Seoul, South Korea in an events calendar.

EXHIBIT HALL PRESENTATION STAGE

Every visitor, delegate and exhibitor at Turbo Expo can attend any of the exhibit hall stage presentations, FREE OF CHARGE. Be sure to sign up to secure your company spot on the stage. Spaces are available on a first-come, first-serve basis. Each presentation is limited to 30 minutes. [To secure your spot, return the stage space reservation form today.](#)

EXHIBIT HALL ACCESS HOURS

No one under the age of 16 may be admitted to the exhibit hall. On move-in/build-up days, exhibitors and exhibit crews will have access to the exhibit hall during published move-in hours. The Hall will not be open outside of the published hours due to Convention Center Restrictions so plan accordingly. The Exhibitor Services Desk and Loading Dock will also only be open for assistance during scheduled hours. Booth staff and exhibit crews must have a badge in order to enter the exhibit hall BEGINNING Sunday. [Review the Hall Access Hours here.](#)

Exhibitor Registration and Housing

EXHIBITOR REGISTRATION

The online registration site is not yet open. We will let you know as soon as you can register.

- There is a new process for exhibitor registration this year. More information to come. **Please note that ALL attendees are required to have a unique email.**

Reminder: Each exhibiting company will receive one complimentary technical conference badge and 3 exhibitor badges per 9sm of space. You will also receive one complimentary lead retrieval unit.

New Conference Schedule this year with a Monday Keynote and a Tuesday and Wednesday morning Plenary Session. All Exhibitors are welcome to attend the Keynote and Luncheon. You will need to RSVP to ASME for the complimentary added luncheon after you complete registration.

SHOW HOUSING

INDUSTRIAL HEATING

Industrial Heating is the world's largest and most comprehensive integrated media resource focusing on high-temperature thermal processing technology, heat treatment and metallurgy. The topics we cover include: heat treating, ceramics and refractories/insulation, combustion and burners, heat- and corrosion-resistant composites/materials, induction heat treating, industrial gases and atmospheres, materials characterization and testing, melting/forming/joining, process control and instrumentation, sintering/powder metallurgy and vacuum/surface treatments. Processes such as annealing, brazing, hardening, nitriding, quenching and tempering are often highlighted. Industrial Heating also targets industries including aerospace, automotive, defense, medical, mining and drilling equipment, oil & gas, power generation, recycling and many more.
