by bringing the most guests in the Mechanical Engineering discipline~**

Millie Chu, A2L Writing Service

Guest Speaker

One of most important factors when searching for employment is your resume. A well written, polished document may be the key to getting your foot in the door for an interview.

Our services will help you to:

- Create a dynamic resume that highlight your skill and experience so you stand out!
- Format and organize your document making it easy for the employer to read yet grab their attention.
- Customize your resume based on your professional history and your career goals.

If you feel like you don't have recent work experience, don't worry. We will brainstorm with you and help you realize your talents and abilities.

****FOOD will be provided****
