

You are invited to a tour of the award winning Green Flash Brewery in Mira Mesa. The hour-long tour features a guided tasting of four beers.

Established in 2002, Green Flash has developed an award-winning assortment of specialty craft ales that are uniquely Green Flash. Since releasing the game changing West Coast IPA, their beers have created a loyal following of craft beer lovers. Green Flash consistently produces experimental, limited-edition, and seasonal offerings in addition to a solid lineup of long-time year-round favorites. Every batch of beer is a labor of love and is a true Green Flash collaboration. The award-winning beers are on draft, bottled, and sold throughout the US in bars, restaurants, and retail outlets.
