

Invites You To Learn More About  
The Tesla Electric Vehicles

Tesla Inc. (formerly Tesla Motors Inc.), is an American electric vehicle and clean energy company based in Palo Alto, California. The company specializes in electric vehicle manufacturing, battery energy storage from home to grid scale, and solar panel / solar roof tile manufacturing. Co-founded by Elon Musk, Tesla is accelerating the world's transition to electric cars.

Speakers will describe the Tesla models and their performance. Come learn the differences between the Model S, Model 3, Model X, and Model Y.
